

NEW *EXTREME* AIR IMPACT WRENCH

New Motor

Industrial Motor

25% increase in performance.

New Material
Magnesium alloy.

New Trigger

Great Control

Full teasing trigger.

Key Advantage of Magnesium:

- Lightweight: 33% lighter than Al., 73% lighter than Zn, 80% lighter than steel
- Strength: 40% stronger than Al.
- High Production Rate: 1.5 times production rate of Al.
- Perfect Vibration Damping Capacity: 25-40 times Dampening ability of Al.
- Excellent Stiffness: 2 times stiffness of Al.
- Good Fatigue Resistance: Makes Mg. A favored structural metal
- Corrosion Resistance" 8 times better corrosion resistance than carbon steel & 4 times than Al.
- Unique Solubility: Soluble in Al. and produces of useful Al-Mg alloys.
- Well Heat Sink" Similar thermal conductivity to Al., eliminate heat in electronics industry

New Material
Magnesium alloy.

New Composite Housing

Nylon with 40% fibre

Best hand feeling

High strength, non-deformable.

Air Hose Won't knot

Inlet joint can be rotated 360 degrees.

Old style.

New Regulator

More convenient to switch forward and reverse.

New Back Cover

Simple Judgment of Segment Speed.

NEW EXTREME AIR IMPACT WRENCH

DRIVER 1/2 INCH

Applicable in the general industrial use, construction, MRO (Maintenance, Repair and Overhaul) , rail, heavy machinery, oil and gas, shipbuilding, vehicle repair industry, heavy trucks, tire lanes and fleet maintenance.

Anvil Extended 2"

RT19303

Nut-Busting Torque
2,200 Nm / 1,622 Ft-lb
Tool Weight
1.7 kg / 3.8 lbs

RT19301

Nut-Busting Torque
2,200 Nm / 1,622 Ft-lb
Tool Weight
1.6 kg / 3.6 lbs

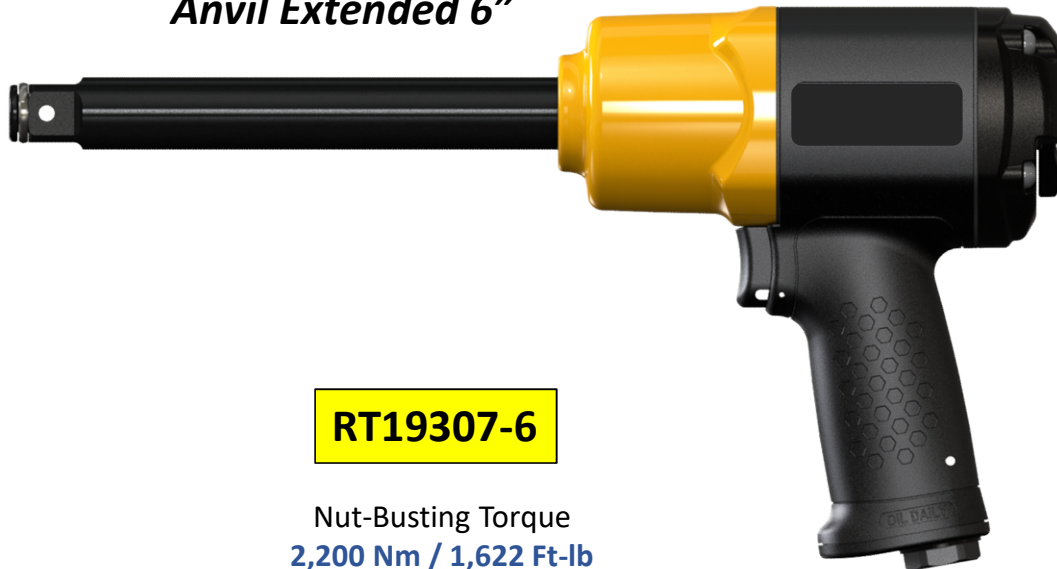

NEW EXTREME AIR IMPACT WRENCH

DRIVER 3/4 INCH

Applicable in the general industrial use, construction, MRO (Maintenance, Repair and Overhaul) , rail, heavy machinery, oil and gas, shipbuilding, vehicle repair industry, heavy trucks, tire lanes and fleet maintenance.

Anvil Extended 6"

RT19307-6

Nut-Busting Torque
2,200 Nm / 1,622 Ft-lb
Tool Weight
2.5 kg / 5.5 lbs

RT19307

Nut-Busting Torque
2,200 Nm / 1,622 Ft-lb
Tool Weight
1.8 kg / 3.96 lbs

NEW EXTREME AIR IMPACT WRENCH

DRIVER 3/4 INCH

Applicable in the general industrial use, construction, MRO (Maintenance, Repair and Overhaul) , rail, heavy machinery, oil and gas, shipbuilding, vehicle repair industry, heavy trucks, tire lanes and fleet maintenance.

Anvil Extended 6"

RT19305-6

Nut-Busting Torque
4,100 Nm / 3,023 Ft-lb
Tool Weight
3.8 kg / 8.4 lbs

RT19305

Nut-Busting Torque
4,100 Nm / 3,023 Ft-lb
Tool Weight
3.0 kg / 6.6 lbs

DRIVER 1 INCH

NEW **EXTREME** AIR IMPACT WRENCH

Applicable in the general industrial use, construction, MRO (Maintenance, Repair and Overhaul) , rail, heavy machinery, oil and gas, shipbuilding, vehicle repair industry, heavy trucks, tire lanes and fleet maintenance.

Anvil Extended 6"

RT19309-6

Nut-Busting Torque
4,100 Nm / 3,023 Ft-lb
Tool Weight
4.0 kg / 8.8 lbs

RT19309

Nut-Busting Torque
4,100 Nm / 3,023 Ft-lb
Tool Weight
3.2 kg / 7.0 lbs

NEW **EXTREME** AIR IMPACT WRENCH

Applicable in the general industrial use, construction, MRO (Maintenance, Repair and Overhaul), rail, heavy machinery, oil and gas, shipbuilding, vehicle repair industry, heavy trucks, tire lanes and fleet maintenance.

New Motor
Industrial Motor
25% increase
in performance.

New Material
Magnesium alloy.

New Composite Housing
Nylon with 40% fibre
Best hand feeling
High strength, non-deformable.

Old Trigger
In high pressure state,
it is not easy to trigger,
you can't control
the speed with your finger.

New Trigger
Great Control
Full teasing trigger.

Taiwan Patent M565632

New Regulator
More **convenient**
to switch forward
and reverse.

Best 45 degree angle air inlet
And can change six directions
Let the air hose position not affect your work.

* Tool 2m drop test **PASS.**

* Tool -24 degree Low temperature 1m drop test **PASS.**

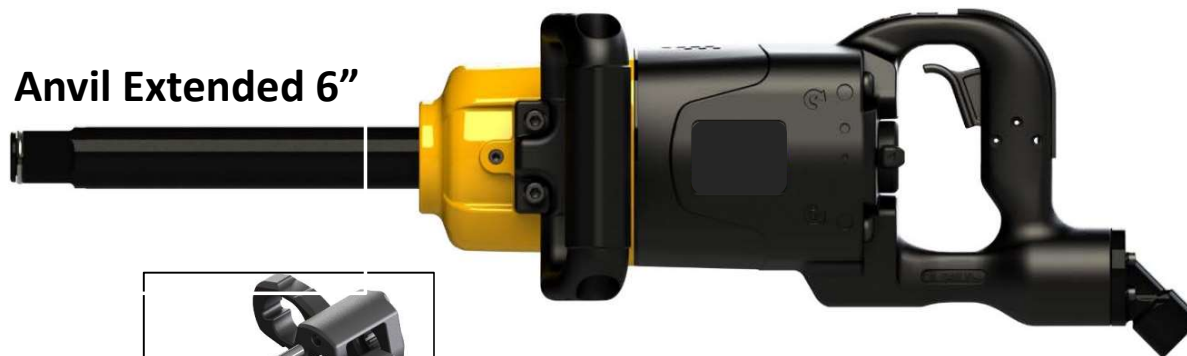

NEW EXTREME AIR IMPACT WRENCH

*** Lightest *weight***

*** Largest *torque***

*** Highest *quality***

Anvil Extended 6"

RT19311-6

Nut-Busting Torque
5,400 Nm / 3,982 Ft-lb

Tool Weight
7.2 kg / 15.8 lbs

RT19311

Nut-Busting Torque
5,400 Nm / 3,982 Ft-lb

Tool Weight
6.2 kg / 13.6 lbs

Anvil Extended 8"

RT19311-8

Nut-Busting Torque
5,400 Nm / 3,982 Ft-lb

Tool Weight
7.5 kg / 16.5 lbs

NEW EXTREME AIR IMPACT WRENCH

DRIVER 1 INCH

Applicable in the general industrial use, construction, MRO (Maintenance, Repair and Overhaul) , rail, heavy machinery, oil and gas, shipbuilding, vehicle repair industry, heavy trucks, tire lanes and fleet maintenance.

Anvil Extended 6"

Two meters
drop test

PASS

-24 degree
Low temperature
drop test

PASS

RT19313-6

Nut-Busting Torque
5,400 Nm / 3,982 Ft-lb
Tool Weight
6.6 kg / 14.5 lbs

RT19313

Nut-Busting Torque
5,400 Nm / 3,982 Ft-lb
Tool Weight
5.6 kg / 12.3 lbs

NEW ALUMINUM AIR IMPACT WRENCH

DRIVER 1/2 INCH

RT19317

Nut-Busting Torque
1,492 Nm / 1,100 ft-lb
Tool Weight
2.3 kg / 5.0 lbs

DRIVER 3/4 INCH

RT19315

Nut-Busting Torque
2,983 Nm / 2,200 ft-lb
Tool Weight
4.3 kg / 9.3 lbs
